

**Sublimity Fire District
Safety Committee Minutes
March 31, 2008**

Call to order: Angela Hargin called the meeting to order at 2:15 p.m.

Members present: Angela Hargin, Hayley Jubie

Members absent: Tim Gardner, Amy Doran

Additions/Deletions to Agenda: None

Reading of Minutes: The minutes from February 27, 2008, were approved.

Inspections:

Station 51

Chief's Office: The bookshelf needs to be secured to the wall.

Middle Office: The first bookshelf needs to be secured to the wall.

Radio Room: There were concerns about the electrical cords under the desk being a hazard to people sitting at the desk and possibly getting tangled with feet.

Kitchen: The left rear burner on the left stove does not light.

Laundry Room: There is an unmarked spray bottle on top of the barrel of soap that needs to be discarded. Its contents are unknown.

Station 52

Angela and Chief Ditter inspected this station on 4/15/08 and no issues were found. All the items were cleared off the mezzanine.

New Business: A safety concern was brought by Chief Ditter about the slab the dumpster sits on. There is no curb around the slab, which enables the dumpster to roll off the slab during high winds, or it can be easily pushed off the slab. A curb made out of 2x6s was requested to be placed around the dumpster slab.

The curbs in the parking lot have been removed, as they were deemed a safety hazard.

MSDS sheets need to be gone through and updated next quarter; Angela will take care of this.

Adjourn: Meeting adjourned at 3:00 p.m.

Next meeting: TBA
