

**Sublimity Fire District
Safety Committee Minutes
July 10, 2006**

Call to order: Geoff McFarland called the meeting to order at 5:02 p.m.

Members present: Amy Manning, Angela Hargin, Geoff McFarland

Members absent: Tim Gardner

Additions/Deletions to Agenda: None

Reading of Minutes: Amy made a motion to approve the minutes from June 15, 2006. Angela seconded. Motion passed. Unanimous.

Old Business: Angela has been working hard to update the MSDS. The committee discussed how to organize the sheets. The best option seemed to be alphabetical by product name. However, there are still some missing. Also, some of the sheets are old and might need to be updated. There was discussion regarding which products required an MSDS. Someone needs to go out to Station 52 and see what products they have that would require MSDS. There was a reminder to update the sheets when making new purchases.

Amy is working on typing up the committee's recommendations to management from the safety inspections.

New Business: Amy mentioned that the weight bench area with all of the right to know info is currently a safety hazard. There was discussion on how to make the area safer.

Adjourn: Meeting adjourned at 5:45 p.m.

Next meeting: The next meeting was scheduled for Thursday, August 3, at 5:00 p.m.
