

**Sublimity Fire District  
Safety Committee Minutes  
August 3, 2006**

**Call to order:** Geoff McFarland called the meeting to order at 5:02 p.m.

**Members present:** Angela Hargin, Geoff McFarland

**Members absent:** Tim Gardner, Amy Manning

**Additions/Deletions to Agenda:** None

**Reading of Minutes:** The minutes from July 10, 2006 were approved.

**Old Business:** Geoff and Nick G. gathered a list of items from Station 52 that would need MSDS sheets. Angela said she would take care of it.

The committee discussed the fact that the tailboard riding straps on Engine 52 had been removed. That is a good thing because the presence of the straps encouraged unsafe practices.

The district still needs to get an electrician to hardwire in the pop machine.

The hazard presented by the weight bench in the middle of the bay has been eliminated. The weight set was moved to the old upstairs training area.

**New Business:** Someone needs to send a reminder page to everyone to wash their wildland gear and structural turnouts.

**Adjourn:** Meeting adjourned at 5:17 p.m.

**Next meeting:** The next meeting was scheduled for Thursday, September 7, at 5:00 p.m.
