Members present: Tim Gardner, Angela Hargin, Amy Manning, Geoff McFarland

Members absent: None

Additions/Deletions to Agenda: None

Reading of Minutes: The minutes from August 3, 2006 were approved with some clerical corrections.

Old Business: Geoff reminded that committee that we still need to send a reminder page to everyone to wash their wildland gear and structural turnouts. Tim asked about a spare set of turnouts for Station 52 personnel for when turnouts are being washed.

Amy has been playing phone tag with an electrician to hardwire in the pop machine and make some other changes.

The committee reviewed the results of June 21st inspections. Some of the items discussed: many replacement drugs at Station 52 are expired; hose racks at 52 are in the way; Station 51 needs a lot of electrical work done upstairs; the hole in the officers' office needs to be patched.

The tables in front of the posting board in the bay need to be moved, or the board needs to be moved.

Angela said she would try to go through MSDS sheets for Station 52 next week.

New Business: Next inspections: Thursday, September 28, 5:00 p.m.

Adjourn: Meeting adjourned at 4:00 p.m.

Next meeting: The next meeting was scheduled for Thursday, October 8, at 5:00 p.m.
