

**Sublimity Fire District
Safety Committee Minutes
January 11, 2007**

Call to order: Geoff McFarland called the meeting to order at 3:45 p.m.

Members present: Angela Hargin, Geoff McFarland, Amy Manning

Members absent: Tim Gardner

Additions/Deletions to Agenda: None

Reading of Minutes: The minutes from December 14, 2006, were approved.

Old Business: Geoff is still working on extinguisher testing.

Geoff has taken care of installing the glove holder on Engine 52.

Geoff has been working on changing out the electrical outlets around the station. It should be done sometime next week.

The sink presenting a hazard in the cleaning closet has been moved to the air room. Some minor adjustments need to be made before it is fully functional.

The mess in the mezzanine still needs to be cleaned up. There is too much flammable material close to the hot water heater.

New Business: A page has been sent to all personnel that they must wash turnouts before February 1st. It was also announced at the business meeting on January 4th. Members should bring turnouts to the fire station and the interns will take care of washing them.

There was discussion about creating a proper checkout sheet for spare sets of turnouts.

Adjourn: Meeting adjourned at 4:45 p.m.

Next meeting: The committee will complete inspections on Tuesday, February 13, at 2:00 p.m. February's meeting will also be held at that time.
